

### **Manitowoc M50W Crawler Crane**

50 Ton Hydraulic Crawler Crane c/w x-spander  
1994  
Approx. 9190 hours  
Cummins Diesel Engine  
45m Main Boom  
18m Fly Jib  
PAT DS350 Electronic Safe Load Indicator

The X-Spander allows the counterweight to be hydraulically pushed out the back of the crane by up to 15ft which can almost double the duties at radius.
